

2020 B2K – COVID Update

Important Update Re COVID and the B2K Race

Hi B2K Skippers, Owners, Crew,
We are all looking forward to hosting tomorrow's race.

Unfortunately, we received news yesterday that two individuals have done the wrong thing and we now have some community transmission of COVID in Brisbane.

The below advice has been received from Queensland Health and Department of Sport and Recreation.

In summary:

If you or your crew have been in a designated hotspot (see link below) in the last 14 days, you must not attend any RQYS events as either a competitor or spectator.

If you have attended any of the venues specified, within the specified times, in the "Contact Tracing" link below, you must not attend any RQYS events as either a competitor or spectator.

The Contact Tracing page will be updated on a regular basis you should check it on a regular basis.

Regards,
B2K Race Committee
Royal Queensland Yacht Squadron

Copy of latest health advice for sporting activity:

Approved [Industry Plans](#) restrict access to anyone who has:

- COVID-19 or has been in direct contact with a known case of Covid-19 within the last 14 days
- Flu-like symptoms or who is a high health risk (e.g. due to age or pre-existing conditions)
- Travelled internationally
- Travelled to a [Covid declared hotspot](#).

With recently reported positive COVID-19 cases confirmed in Brisbane, please note the advice below and ensure you and your crew are aware of these developments.

1. Individuals who have been in close contact with a confirmed positive COVID case will be issued with quarantine directions by the Queensland Health Public Health Unit which will require them to isolate for 14 days.
2. The Queensland health Public Health Unit may be requesting contact tracing information from organisations today which must be provided within 1 hour of the request.
3. If you or a family member are exhibiting any signs or symptoms of being unwell, please contact your GP or your local Queensland Health Fever and Respiratory Clinic.

In line with the above, any person who has visited affected locations identified by Queensland Health should not attend organised sport, active recreation or fitness activities until further information on the situation comes to hand. These locations can be found here via the [contact tracing](#) alerts page. You can also stay up to date with all COVID-19 Queensland Health alerts [here](#).
