## Sail Brisbane

### AMENDMENT 1 27/11/2020

#### Sailing Instructions

The Royal Queensland Yacht Squadron

578 Royal Esplanade, Manly, Queensland, 4179 | 07 3396 8666 | sailing@rqys.com.au

---

#### 9. MARKS

9.1 Marks, including starting and finishing marks, are described in Attachment 4.

(ADD)

9.2 If one of the gate marks is missing then the remaining mark shall be left to port.

#### 12. THE FINISH

##### (ADD) Kitefoiling and Windfoil

12.2 When the leading boat completes the course and finishes, the Race Committee signal boat will immediately display a pink flag with a sound signal. This indicates the Finishing Time Window is now open. From this time, all boats shall cross the finishing line. All boats that cross the finishing line within 10 minutes after the leading boat has finished, shall be deemed to be finished irrespective of number of laps they have completed. Their position in the race will be noted from their finishing order and number of completed laps, with those having the most laps being recorded ahead of those with less completed laps. Boats that have completed 1 lap shall be ranked behind boats that have completed 2 laps. Boats that have completed 2 laps shall be ranked behind boats that have completed 3 laps. If a boat after the Finishing Time Window has opened sails one more lap, this will not count as a completed lap in the scoring. This changes RRS 28.1 and A4.

12.3 Boats failing to cross the finish line within the Finishing Time Window, will be scored after those finishing as described in the above mentioned finishing rule. They will be scored according to their position at the previous passing of the gate or bottom mark. If they have not been able to complete one lap, they will be scored did Not Finish without a hearing. This changes RRS 35, A4 and A5

#### 16. SAFETY REGULATIONS

16.1 All skippers shall SIGN ON before racing each day and SIGN OFF at the earliest possible time after the completion of racing (but not later than the end of protest time). The sign on will be available near the rigging lawn (ADD) and Centre of Excellence two (2) hours prior to the first warning signal scheduled on the day of racing. [DP]
