

2021 Wolf Rock Race

AMENDMENT 2 – 25/11/2021

Notice of Race

The Royal Queensland Yacht Squadron
578 Royal Esplanade, Manly, Queensland, 4179 | 07 3396 8666 | sailing@rqys.com.au

NoR ATTACHMENT B

2. Communications

Boats shall carry a permanently installed VHF radio in accordance with Special Regulations Part 1, 3.25.1 and shall be capable of transmitting/receiving, as a minimum, on the following frequencies: VHF Channels 16, 21, 22, 67, 70, 72, 73, 77, 80, 81, 82. It is recommended that boats also carry a HF Radio but it is not a requirement.

~~Boats must carry a Satellite Telephone (satphone) Special Regulation 3.25.1(a)(iii). The satphone incorporating voice and SMS capability, shall be retained in a securely fastened mounting, connected to the vessel's electrical supply, equipped with a permanently located external aerial, and continuous coverage for the race area. Satphones may be inspected by a representative of the Organising Authority to verify the adequacy of the installation and operation of the satellite phone.~~

~~(ADD)~~ Boats must carry a minimum of two (2) fully charged 3G/4G capable mobile telephones. These phones are to be carried in designed for purpose waterproof pouches, that allow the phone to be used while it is in the pouch.

All position schedules during the 2021 Wolf Rock Race will be conducted by Satphone. (ADD)-VHF Radio and mobile telephone.

3. Pre-race communication check

Boats shall carry out a mandatory ~~satphone~~ **(ADD) Mobile Phone** communication check with the RC by voice and text to +6140 4900 546.

This Amendment is approved by the RQYS Sailing Manager on 25/11/2021.
