Sailing is by its nature an unpredictable sport and therefore inherently involves an element of risk. By taking part in the event, each competitor agrees and acknowledges that:
 - 11.1.1. They are aware of the inherent element of risk involved in the sport and accept responsibility for the exposure of themselves and their board to such inherent risk whilst taking part in the event;
 - 11.1.2. They are responsible for the safety of themselves and their board and their other property whether afloat or ashore;
 - 11.1.3. They accept responsibility for any injury, damage or loss to the extent caused by their own actions or omissions;
 - 11.1.4. Their equipment is in good order, prepared for sailing in the event and they are fit to participate;
 - 11.1.5. The provision of a race management team, patrol vessels and other officials and volunteers by the race organizer does not relieve them of their own responsibilities;
 - 11.1.6. The provision of patrol vessel cover is limited to such assistance, particularly in extreme weather conditions, as can be practically provided in the circumstances;
 - 11.1.7. The fact that the Race Committee or Technical Committee conducts inspections, or not, of a vessel does not reduce the responsibilities of each competitor set out in this SSI.
- 11.2. All participants are required to comply with any safety provisions as mandated under the Racing Rules of Sailing, the Australian Sailing Special Regulations Part 2 for Off The Beach Boats, and any Class Rules that may apply. The Squadron encourages and supports competitors who believe it is appropriate to exceed the above requirements (such as the wearing of body armor, impact vests, etc.) if they or their guardian believe that conditions and their personal circumstances warrant. All competitor's attention is drawn to SSI 10.1

SSI ATTACHMENT B

- B.1 Each race will consist of the number of laps designated by the course signal displayed as part of the starting sequence.
- B.2 After completing the required number of laps, boats shall Finish between the Race Committee Boat displaying a blue flag and the finish mark (see Course Map).
- B.3 When the first boat completes the course and Finishes correctly, the Race Committee Boat shall display a red flag(s) with a sound signal. This indicates that the Finishing Window (10 minutes) is open.
- B.4 All boats shall continue sailing the course and when are next completing a lap shall pass through Gate 4 and proceed to Finish regardless of the number of laps they have completed.
- B.5 All boats crossing the finish line while the Finish Window is open will be deemed to have Finished. Their race result will be determined from the finishing order and number of laps they correctly completed; those having completed the most laps being ahead of those with fewer laps completed. For example, boats with 2 laps completed will be ranked ahead those with 1 lap.
- B.6 Lowering the red flag(s) closes the Finishing Window.
- B.7 Boats not Finishing while the Finishing Window is open, will be scored after those Finishing. These boats will be scored according to their relative positions and number of laps completed as they last passed through Gate 4.
- B.8 Boats who have not completed one lap by the time the Finishing Window closes shall be scored Did Not Finish without a hearing. This changes RRS 35, A4 and A5.
