#### **Course Book Supplementary Sailing Instructions:**

- **1 –** The Use of an "X" Mark (a mark set at 90 degrees to the Start Line, usually upwind) is indicated by the flying of a Green or Red flag on the Start Boat, this flag indicates the rounding of the "X" Mark and shall be inserted in the Course Mark list in between the Start and the first mark of the course.
- 2 All Starts are assumed to be inside Waterloo Bay. Where the RC wishes to run a Start East of Green Island the Race Committee may advance the course up to the point at which the Start Line leaves Waterloo Bay by flying an L flag and indicating the next mark on a board on the back of the boat. In this instance the RC need only signal the course and the next mark of the course, all previous marks are to be disregarded. [E.g. Course 11 would become Start NJW (S) CJP (S) GIR (S) HBRM (S) HL (S) HBY (P) HBG (S) SWR (S) HYR (P) Finish]
- **3 –** Where Course Book SI's 1 and 2 are to operate together the Board need only indicate the next Fixed or Laid Mark, the X mark being indicated by the flying of Green or Red flags.
- **4 –** Where the Race Committee wish to run these courses as a "Reverse" they shall indicated the course number followed by a prominent R and indicate as such on Radio. The course shall observe all marks in the opposite order and with the opposing rounding.

EXAMPLE Course 1: Start – NJW (S) – CJP (S) – SHS (P) – SHR (S) – HBRM (S) – SHR (S) – HBRM (S) – LLS (S) – Finish.
