By participating in this event each competitor agrees and acknowledges that sailing is a potentially dangerous activity with inherent risks.

These risks include strong winds and rough seas, sudden changes in weather, failure of equipment, handling errors, poor seamanship by other boats, loss of balance on an unstable platform and fatigue resulting in increased risk of injury.

Inherent in the sport of sailing is the risk of permanent, catastrophic injury by drowning, trauma, hypothermia, or other causes.

Competitors participate in this event entirely at their own risk. The organising authority will not accept any liability for material damage or personal injury, or death sustained in conjunction with or prior to, during, or after the event.

## ADDENDUM C – QUALIFYING AND FINAL SERIES FORMATS

---

### 1. Practice Race

- 1.1 For the practice race, boats will be assigned to three fleets of, as near as possible, equal size.
- 1.2 Assignments will be random as determined by the scoring system and will be posted by 2000 on 1 January 2025.

### 2. Qualifying Series

- 2.1 Boats will be assigned to two fleets of, as near as possible, equal size.
- 2.2 Initial assignments will be posted by 2000 hours on 2 January 2025.
- 2.3 Boats will be reassigned to two fleets after each day of racing, except if on the first day only one race is completed. If both fleets have completed the same number of races, boats will be reassigned based on their ranks in the series. If both fleets have not completed the same number of races the series scores for reassignment will be calculated for those races, numbered in order of completion which have been completed by both fleets.
- 2.4 Reassignments will be made as follows:

	Two fleet format
Rank in Series	Fleet Assignment
1st	1
2nd	2
3rd	2
4th	1
5th	1
6th	2
7th	2
8th	1
9th	1
And so on	

- 2.5 Reassignments will be based on the ranking available at 1900 that day regardless of protests or requests for redress not yet decided.
- 2.6 If both fleets have not completed the same number of races by the end of a day, the fleet with fewer races will continue racing the following day until both fleets have completed the same number of races. All boats will thereafter race in the new fleets.
- 2.7 If at the end of the qualifying series a qualifying series fleet has more race scores than the other, any extra races will be abandoned so that all boats in the qualifying series have the same number of race scores.

### **3. Final Series**

- 3.1 Boats will be assigned to final series fleets based on their ranks in the qualifying series.
- 3.2 There will be two fleets in the final series.
- 3.3 The final series fleets will be, as nearly as possible, of equal size but so that the Silver Fleet is not larger than the Gold Fleet.
- 3.4 Boats with the best qualifying series ranks will race all final series races in the Gold Fleet; boats with the next best qualifying series ranks will race in the Silver Fleet.
- 3.5 Any recalculation of qualifying series ranking after boats have been assigned to final series fleets will not affect the assignments except that a redress decision may promote a boat to a higher fleet.
- 3.6 Different final series fleets need not have completed the same number of final races. The boats in the Gold Fleet will be ranked highest, except for a boat disqualified from a final series race under RRS 6 or 69.
