In preparation for the 2026 Finn Gold Cup in Brisbane.

This year we are collecting equipment data using an online google form. This will enable the measurer's/Inspectors to be more efficient.

We thank you in advance for completing the form.

The form can be found here. This is a link.

Please complete as much as you can, as this will save time later. However, any missing information can be completed during Equipment Inspection if needed. The deadline for completion of the form will be 1800 10th February 2026.

Please make sure that your nominated equipment complies with the class rules.

Please also make sure that you have copies of your Measurement Certificate and Mast Cards, and bring them to equipment inspection.

The process for Equipment Inspection will be posted on the ONB before 1800 on 11th February 2026.

Looking forward to meeting you all in Brisbane.
